The best moments

I adored my stay in Catalonia.
I hyper had fun well and I
liked a lot meeting new
people with cultures different
from mine.

I love a lot my partner. She is very amazing person, she is very nice. I liked be with her.

To travel with his friends, It's a magic experience. We spent moments exceptional together, especially I, with my best friend.

Catalonia is very
beautiful and I wish I
can return to very
soon

A great exchange

This has been one of the best exchanges I have done. The people and the places were great.

I have learned a lot and I have met people that will be important for me for the rest of my life.

But this is not the end, we'll see each other again. I'm pretty sure about it.
